

CAMPAIGN CIVILITY PLEDGE

I pledge to conduct an issue-oriented and civil campaign to represent the Florida 16th Congressional District in the U.S. House of Representatives.

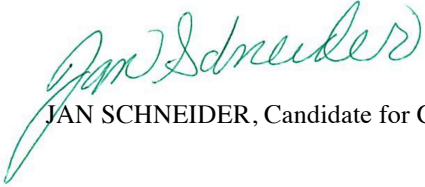

I will neither engage in nor condone defamatory attacks upon the character of any opponent.

I will not use or knowingly permit the use of any campaign communication that misrepresents or distorts facts regarding any opponent.

I assume personal responsibility for the conduct of my campaign.

If elected, I will represent the interests of constituents to the best of my ability and in a civil and respectful manner.

Other candidates, here and elsewhere, are invited to join in promoting the public interest by making similar pledges.

JAN SCHNEIDER, Candidate for Congress
